I. STATE STUDENT FINANCIAL ACCESS PROGRAMS

INTRODUCTION

The following tables provide statistical information for two state sponsored programs administered by the Utah Higher Education Assistance Authority: the Utah Educational Savings Plan Trust (UESP) and the Higher Education Success Stipend Program (HESSP) – formerly UCOPE, described in further detail below.

UTAH EDUCATIONAL SAVINGS PLAN (UESP)

The Utah Educational Savings Plan (UESP), authorized by the Utah State Legislature, is designed to comply with Section 529 of the Internal Revenue Code. UESP is administered and managed by the Utah State Board of Regents and the Utah Higher Education Assistance Authority (UHEAA).

800.418.2551 | uesp.org

About UESP.

As a nonprofit 529 college savings plan, the Utah Educational Savings Plan is dedicated to one purpose—helping families save for college. That's why UESP:

- Has among the lowest fees of all 529 plans
- Will never pitch additional products or services like retirement plans or insurance

Individuals may open or contribute to a UESP college savings account directly through UESP, making it a *direct-sold* 529 plan. Involvement by a financial adviser or broker-dealer is not required.

Use of funds.

- Funds saved in a UESP account can be used for a beneficiary's qualified higher education expenses, including tuition and fees; required books, supplies, and equipment; and even certain room and board costs.
- The funds can be used at any accredited college, university, or technical school that participates in federal financial aid programs for students in the United States or abroad, not just at institutions in Utah. (See fafsa.ed.gov for a list of eligible schools.)

Tax advantages.

- Earnings on investments in UESP accounts grow tax deferred from federal and Utah state income taxes and are tax free when used for qualified higher education expenses.
- Utah account owners can even claim a 5 percent Utah state income tax credit or deduction for contributions to their UESP accounts. To be eligible for the Utah state income tax credit or deduction, the beneficiary of the UESP account must be designated as such before age 19.

Choice of savings strategy.

The Utah Educational Savings Plan offers 12 investment options, including:

- Age-based and static investment options
- Customized investment options
- An FDIC-insured savings account

Flexibility.

- There are no mandatory initial or ongoing contributions—account owners can open an account with a zero balance and start saving when the time is right.
- The beneficiary can be any U.S. citizen or resident alien with a valid U.S. Social Security or Taxpayer Identification Number and may be changed on a UESP account without adverse income tax consequences, as long as the new beneficiary is a “member of the family” (as defined by Section 529) of the preceding beneficiary. However, if the account’s beneficiary is changed from someone who was younger than age 19 at the time the account was established to someone who is age 19 or older, the account owner must recapture Utah state income tax credits or deductions claimed in any prior tax year.
- An account owner must be at least age 18 with a valid U.S. Social Security or Taxpayer Identification Number and may be changed on an account at any time.
- An account owner may designate a primary and secondary successor account owner.

For more information about UESP, go to uesp.org or call 800.418.2551.

HIGHER EDUCATION SUCCESS STIPEND PROGRAM (HESSP)

HESSP (formerly UCOPE) is a State supplement grant and work-study assistance award established by the Utah State Legislature. Program funds may be used for either grants or work-study awards to Utah resident students with demonstrated financial need, using the Federal needs analysis methodology. HESSP funds are allotted to participating eligible institutions based on their population of resident students with high financial need as evidenced by award of Federal Pell Grants. In addition to USHE institutions, Brigham Young University, Westminster College and LDS Business College participate in the UCOPE Program.

II. FEDERAL CAMPUS-BASED STUDENT FINANCIAL AID

INTRODUCTION

The following tables provide statistical information concerning a number of federally-supported student financial aid programs. These programs all are campus-based, including the LEAP Program (formerly known as SSIG) as operated in Utah. Awards under all five programs are required to be based on demonstrated financial need. Annual state appropriations to the Board of Regents provide for a part of the required matching funds for the FWS Program, and all required matching funds for the other four programs for USHE institutions. In addition to USHE institutions, Westminster College participates in the LEAP Program.

FEDERAL PERKINS LOANS

The Federal Perkins Loan Program provides low interest (5 percent) loans with a maximum 10 year repayment period to students with exceptional financial need. The Federal Perkins Loan Program is called a campus-based program since each institution is responsible for administering the program on its own campus. The matching requirement in this program is 25 percent of the capital contributions to the institutional loan fund. *Congress has not funded the Perkins Loan Program since FY 2006; however institutions continue to disburse from program funds from prior year contributions.*

FEDERAL WORK-STUDY (FWS)

The Federal Perkins Loan Program provides low interest (5 percent) loans with a maximum 10 year repayment period to students with exceptional financial need. The Federal Perkins Loan Program is called a campus-based program since each institution is responsible for administering the program on its own campus. The matching requirement in this program is 25 percent of the capital contributions to the institutional loan fund. *Congress has not funded the Perkins Loan Program since FY 2006; however institutions continue to disburse from program funds from prior year contributions.*

FEDERAL PELL GRANTS

The Federal Pell Grant Program is the largest federal student financial aid grant program. Federal Pell Grants are need-based awards to undergraduate students. Eligibility for Pell Grants is limited to students with the *greatest* financial need. Funding for the Federal Pell Grant Program comes directly from the U.S. Department of Education to the individual campuses. The Pell Grant Program is provided to every eligible applicant. For the 2010-2011 award year the maximum grant amount was \$5,550.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (FSEOG)

The FSEOG Program is a grant program for undergraduate students with exceptional need. Awards of up to \$4,000 per year are available depending on the student's need and availability of funds. The FSEOG Program is also considered a campus-based program. Funding for the program is provided by the U.S. Department of Education. The State matching requirement is 33 percent of Federal funds (25 percent of total funds).

LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP (LEAP)

The LEAP Program (formerly known as the State Student Incentive Grant or SSIG Program) is a grant program for undergraduate students with substantial financial need. Awards of up to \$2,500 per year are available depending on the student's need and available funds. Funding for the program is provided partially by the U.S. Department of Education with a minimum of 100 percent state matching and maintenance of effort requirement of the designated state agency. The LEAP Program in Utah operates on a decentralized basis with the individual institutions responsible for the determination of awards, using the Federal need analysis methodology. *(This program will not be funded starting 2012-13.)*

III. PROGRAM-BASED STUDENT FINANCIAL AID

INTRODUCTION

The following tables provide statistical information for program-based student financial aid programs administered by the Office of the Commissioner or the Utah Higher Educational Assistance Authority (UHEAA) or USHE institutions. These programs are: (1) the Western Interstate Commission for Higher Education (WICHE) exchange program, (2) the Regional Dental Education Program (RDEP), (3) the Terrel H. Bell Teaching Incentive Loan (TIL) program, (4) the New Century Scholarship Program, (5) the Utah Engineering and Computer Science Loan Forgiveness Program (UECLP), and (6) the institutionally-based Educationally Disadvantaged programs.

WESTERN INTERSTATE COMMISSION FOR HIGHER EDUCATION (WICHE)

WICHE's Professional Student Exchange Program enables students in 15 western states to enroll in selected out-of-state professional programs when those fields of study are not available at public institutions in their home state. Exchange students pay reduced levels of tuition and the state pays a support fee to the admitting schools to help cover the cost difference between resident and non-resident tuition.

REGIONAL DENTAL EXCHANGE PROGRAM (RDEP)

The Regional Dental Education Program (RDEP) enables qualified Utah resident students each year to begin the study of dentistry. The first year of study is completed at the University of Utah. The final three years are completed through a contract with Creighton University in Omaha, Nebraska. Beginning in 2004, the RDEP program began to function as a partial tuition reimbursement program for Utah students who are accepted to Creighton University and the RDEP program, if they return to Utah to practice dentistry after graduation.

TERREL H. BELL TEACHING INCENTIVE LOAN (TIL)

The Regional Dental Exchange Program (RDEP) enables 10 students each year to begin the study of dentistry. The first year of study is completed at the University of Utah School of Medicine. The final 3 years are completed through a contract with Creighton University. A private institution where students pay reduced tuition because of the RDEP contract. Beginning with the 2005 class, the RDEP program will function as a loan repayment program for students who are accepted to a School of Dentistry and the RDEP program if they return to Utah to practice dentistry after graduation.

NEW CENTURY SCHOLARSHIP PROGRAM

The New Century Scholarship Program was created by the 1999 Utah Legislature to provide scholarship opportunities to Utah residents. Students must complete the requirements of an associate's degree or the approved math and science curriculum at a Utah System of Higher Education institution by the date of their high school graduation. Student must earn a minimum high school GPA of 3.5 and a minimum college GPA of 3.0. The New Century Scholarship award for students attending an eligible 4-year public or non-profit private institution in Utah will be a set dollar amount determined yearly by the legislature (maximum of \$1,250 each Semester).

UTAH ENGINEERING AND COMPUTER SCIENCE SCHOLARSHIP PROGRAM (UECSP)

The New Century Scholarship Program was created by the 1999 Utah Legislature to provide scholarship opportunities to Utah residents. Students must complete the requirements of an associate's degree or the approved math and science curriculum at a Utah System of Higher Education institution by the date of their high school graduation. Student must earn a minimum high school GPA of 3.5 and a minimum college GPA of 3.0. The New Century Scholarship award for students attending an eligible 4-year public or non-profit private institution in Utah will be a set dollar amount determined yearly by the legislature (maximum of \$1,250 each Semester).

EDUCATIONALLY DISADVANTAGED

The Educationally disadvantaged program is funded by line item appropriations to 9 USHE Institutions. The appropriations are to be used to support the educational needs of students who, because of their social-economic status or demographics have historically been disadvantaged from pursuing a higher education. Funds may be spent on tuition assistance, counselors, advisor, or tutoring.

Notes:

(1) The Student Exchange Program administered through the Western Interstate Commission for Higher Education (WICHE) and the Regional Dental Education Program (RDEP) assist Utah students in obtaining training in dentistry, veterinary medicine, optometry and podiatry under the interstate compact. Participating students pay resident tuition and general fees of the receiving state or reduced tuition at private institutions. The chart above is a summary of Utah's participation in these programs:

(1) RDEP assists Utah students obtain training in dentistry through a contract with Creighton University. Participating students begin studying at the University of Utah School of Medicine and then receive reduced tuition at the private institution. Beginning with the 2004 class, students who study at other institutions may receive partial loan forgiveness if they return to Utah to practice.

Notes:

(1) The Terrel H. Bell Teaching Incentive Loan (TIL) is designed to encourage outstanding students to pursue careers as teachers. The program is open to students enrolled in a program of study leading to teacher certification in a state-supported college or university, Brigham Young University, or Westminster College. Up to 365 students are awarded tuition and general fee waivers.

NOTE: 2009-2010 was the first year of the UECSP. This scholarship program was created in the 2009 Utah State Legislative session, when the Utah Engineering & Computer Science Loan Forgiveness Program was changed to a scholarship program (SB105 ammended Utah Code 53B-6-105.7). Most schools involved in the scholarship program did not disburse any funds in 2009-10, but carried the funds to the next fiscal year (2010-2011). For program policy, see SBR Policy # R608.

IV. FEDERAL FAMILY EDUCATION LOAN PROGRAM

INTRODUCTION

For 45 years the Federal Family Education Loan Program (FFELP) provided low interest educational loans for students and the parents of students enrolled in eligible post secondary education institutions. FFELP loans, made primarily by commercial lenders, are insured against loss by designated guaranty agencies and reinsured by the federal government. This program was eliminated in favor of the Direct Loan Program with passage of the Health Care and Education Affordability Reconciliation Act of 2010 signed into law on March 30, 2010. Effective July 1, 2010, all federal education loans are made through the Direct Loan Program.

UTAH STUDENT LOAN PROGRAM

The Utah Higher Education Assistance Authority (UHEAA), as a subsidiary of the Utah State Board of Regents, served as the designated guaranty agency for FFELP loans in Utah from 1977 until June 30, 2010. Prior to September 1, 2008 consolidation loans were made in Utah directly by the State secondary market for student loans. The tables on the following pages describe the loan volume and related statistics for the FFELP loans guaranteed by UHEAA's Student Loan Guarantee Program (LGP).

BASIC PROGRAM PROVISIONS

A summary of the basic provisions for each of the FFELP loan programs is provided below:

FEDERAL STAFFORD LOANS

The Federal Stafford Loan Program, named in honor of former Senator Robert Stafford, provides both subsidized and unsubsidized loans according to an individual student's financial need. For subsidized Stafford loan borrowers who demonstrate financial need, the federal government subsidizes (pays) the interest accruing while the student remains in school and during a six-month grace period. A student who does not qualify for the maximum amount through a subsidized loan may obtain additional funding within the authorized loan limit through an unsubsidized Stafford loan. Interest on unsubsidized Stafford loans during school and grace periods may either be paid as accrued or capitalized and added to the loan principal, at the borrower's option. Eligible students may borrow up to the following loan amounts per academic year:

<i>Annual Loan Limits – Stafford Loan</i>			
	Combined Base Limit for Subsidized and Unsubsidized	Additional Limit for Unsubsidized Loans	Total Limit for Unsubsidized Loans (less subsidized amounts)
Dependent Undergraduates			
First Year	\$3,500	\$2,000	\$5,500
Second Year	\$4,500	\$2,000	\$6,500
Third Year and Beyond	\$5,500	\$2,000	\$7,500
Independent Undergraduates			
First Year	\$3,500	\$6,000	\$9,500
Second Year	\$4,500	\$6,000	\$10,500
Third Year and Beyond	\$5,500	\$7,000	\$12,500
Graduate Students			
Graduate and Professional	\$8,500	\$12,000	\$20,500
Medical School	\$8,500	\$32,000	\$40,500

The current cumulative Stafford amount for a dependent undergraduate student whose parent can borrow PLUS is \$31,000. An independent undergraduate student or a dependent student whose parent cannot borrow PLUS the aggregate limit is \$57,500. The cumulative loan limit for undergraduate and graduate study combined is generally \$138,500 and \$224,000 for medical students.

FEDERAL STAFFORD LOANS CONTINUED

For the award year 2010-11 the interest rate on subsidized Direct loans is 4.5 percent and the interest rate on unsubsidized Direct loans is 6.8 percent. The maximum repayment period, which begins six months after the student is no longer attending school on at least a half-time basis, is generally ten years. For first-time borrowers on or after 10/7/98, with debt in excess of \$30,000, the maximum repayment period is extended to 25 years.

FEDERAL PLUS LOANS

Direct PLUS Loans are available for parents of undergraduate students as well as graduate and professional degree students for an amount up to the student's remaining cost of attendance after deducting other financial aid. The interest rate on Direct PLUS loans is 7.9 percent. Repayment begins when the loan is fully disbursed and extends over a maximum 10 year period, with possible extensions for approved deferments (including in-school deferment) and forbearance.

FEDERAL CONSOLIDATION LOANS

Federal Consolidation Loans allow borrowers to consolidate all student loans into one, extend the repayment period and keep monthly payments more manageable. For consolidation loan applications received on or after 10/1/98, the interest rate is a fixed rate based on the weighted average of the interest rates of the loans being consolidated, rounded up to the nearest 1/8 of a percent, not to exceed 8.25 percent. Repayment on a Federal Consolidation Loan begins when the loan is first disbursed. The length of the repayment period varies depending on the beginning balance of the consolidation loan plus the borrower's other education loans, with maximum repayment periods ranging from 10 years to 30 years.

COHORT DEFAULT RATES

In June 1989, the U.S. Department of Education (ED) implemented a default reduction initiative to combat defaults in the FFEL Program. Under ED's default reduction plan, a "cohort" default rate is calculated and published for each participating school. Schools with default rates above specified percentages are subject to various sanctions or limitations. ED also began to publish informational cohort default rates for guaranty agencies and lenders, beginning with federal fiscal year 1991.

The cohort default rate is determined by the number of borrowers who entered repayment in the same year and by tracking this "cohort" group over a specified interval of time to determine the percentage of such borrowers who default. The formula for determining the fiscal 2009 cohort default rates is as follows:

$$\frac{\text{\# of Borrowers who entered repayment in Fiscal Year 2009 and defaulted in Fiscal 2009 or 2010}}{\text{\# of Borrowers who entered repayment in Fiscal Year 2009}}$$

The cohort default rates are calculated from data supplied by guaranty agencies through the National Student Loan Data System process as directed by ED. Only Subsidized Federal Stafford, Unsubsidized Federal Stafford, and Federal ¹SLS Program Loans which qualify for federal reinsurance are included in the cohort default rate calculations. The formula described above is used to determine cohort default rates for schools with 30 or more borrowers entering repayment in fiscal 2009. For schools with fewer than 30 borrowers entering repayment in fiscal 2009 the cohort default rate is the average of the rates calculated for the three most recent fiscal years. Schools which have operated less than three years are considered too new for a meaningful rate to be calculated.

For 2009, UHEAA's cohort default rate (covering experience for all participating schools and lenders) was 2.3 percent, the lowest in the nation. The national average for all programs was 8.8 percent.

¹Federal SLS Loans have not been made since 1994. However, it is possible for a Federal SLS loan to be included in cohort default rate calculations under certain circumstances.

V. UTAH STATE BOARD OF REGENTS LOAN PURCHASE PROGRAM

The Student Loan Purchase Program was formed in 1977 for the purpose of making loans to, and purchasing the loans of, qualified students attending eligible institutions of higher education. The Program, which began operations in January 1979, provided a secondary market for student loans which are guaranteed by the Utah Higher Education Assistance Authority (UHEAA) and originated by Utah lenders.

In October 1987 the Loan Purchase Program originated consolidation loans which provide borrowers with the opportunity to combine eligible student loan debts into one, new consolidation loan.

Following is a table of student loans purchased and originated by the Loan Purchase Program since 1979:

On November 30, 2011, the Loan Purchase Program's portfolio of student loans consisted of 137,524 borrowers with an aggregate outstanding balance totaling \$1,714,571,337. The student loan portfolio is financed through tax exempt and taxable student loan revenue bonds issued by the Board of Regents. On June 30, 2010, there were \$684,265,000 of tax exempt bonds and \$526,100,000 of taxable bonds outstanding. These bonds are secured by the assets of the Program and are not liabilities of the State of Utah. *Revised 12.21.2011*
